#### Contact information:

After cancelling an order of tools we didn't need, we continued to receive calls 10-12 times daily trying to 'resell' to use. Thank God we didn't give them our CC#. I had to call letting them know I was filing complaints w/ the Better Business Bureau, CA Attorney General and posting complaints online before the calls stopped (at least for today). DO NOT BUY FROM ACE INDUSTRIAL SUPPLY FROM BURBANK, CA.

I have had the same problem with the calls and I have also filed a complaint with BBB but it has not helped yet. We have not ordered anything from them in about 3-5 years. When they call they are very rude, they curse whom ever tells them to please stop
